2. What We Offer

Products

- ABB Drives

- ABB LV Softstarters

- ABB Instrumentation

- ABB Motors

2. What We Offer

Products

- Schneider Automation (PLC, SCADA, HMI)

- Schneider UPS

2. What We Offer

Products

- **Siemens Automation
(PLC, SCADA, HMI)**

2. What We Offer

Products

- **Motortronics Medium Voltage Softstarters (MVSS)**

3. Our Partners

Quasi Systems has established robust alliances with various multinational corporations and national authorities in order to provide outstanding experience to our customers.

- **Quasi Systems** is an authorized value provider; Technical Distributor and Service Provider for **ABB**. We offer all AC & DC Drives, Motors and Instrumentation. Besides new sales, Quasi Systems provides service for all low voltage drives as we are a certified partner for commissioning, troubleshooting, repairing, performing preventive maintenance, and reforming.

3. Our Partners

- **Quasi Systems** is a valued certified Alliance Integration Partner with **Schneider Electric**; we provide PLC, HMI/SCADA systems and electrical Drives equipment at competitive prices. Moreover, we are a registered Schneider partner for APC UPS & IT solutions.

3. Our Partners

- **Quasi Systems** is a valued Alliance Integration Partner with AVEVA; we design SCADA systems using **AVEVA** System Platform, AVEVA Edge, and Plant AVEVA SCADA.
- **Quasi Systems** is an authorized Distributer and Service Provider for **MOTORTRONICS** equipment. We offer Medium & Low Voltage Soft Starters. In addition, Quasi systems is the only service provider for the installed units; providing commissioning, troubleshooting, repairing and performing preventive maintenance.
